

# **CensusAtSchool 2015/2016 Questionnaire**

## **Instructions for Learners**

In preparation for the session you will need to have collected your measurement data, take look at the measurement guidance if you are unsure how to do this. For this questionnaire the measurements are:

- Height (cm),
- Arm span (cm),
- Length of the left index finger (mm),
- Length of the left ring finger (mm),
- Hand span (mm).

1. Go to [www.censusatschool.org.uk](http://www.censusatschool.org.uk)
2. Click on '**Take Part**' on the main menu, then '**Questionnaires**'
3. Select '**CensusAtSchool 2015/2016**' from the list of questionnaires
4. Click on '**CensusAtSchool Online Questionnaire 2015/2016**'
5. Read the message regarding anonymity and data protection
6. Enter ..... for the 3-digit LEA Code
7. Enter ..... for the 4-digit School Code
8. Enter ..... for the name of your school
9. Enter .....for your class or teacher's name
10. Enter .....for the first part of your school's postcode
11. Click '**Next**' and start to fill out the questionnaire
12. At the end of the questionnaire don't forget to press '**Submit**'

It is important that the 3-digit LEA Code and 4-digit School Code are correct as these codes are used as the main method of returning data. If you do not know these codes please ask your teacher.
